# Adopt a Friend Project

Sponsored by Janne Klingbeil

The "Adopt a Friend" project, generously sponsored by Janne Klingbeil through his donation to the Mican Project, has brought to life a meaningful initiative. With these funds, we've created three unique plushies that honor the memory of our beloved adopted pets from Café Mosaico: Mia (a dog), Gastón (a dog), and Celeste (a cat). These plushies are interactive, allowing you to paint and wash them as many times as you like. Each plushie comes in a baggie, complete with three crayons and a card that tells the story of each character. Importantly, the funds collected from the sales of these plushies will provide a recurring income to keep the Mican Project alive, supporting the rescue of dogs and cats, neutering, and medicine. We extend our deepest gratitude to Janne Klingbeil for making this impactful project possible.
